Re: Engagement for General Counsel Representation for Oct. 1 2020-Sept. 30, 2023

Greetings:

It has been a pleasure providing outside general counsel services for the Clay County Development Authority ("CCDA"). I am submitting an amended proposal at your request which covers services the next three fiscal years beginning October 1, 2020 and ending September 30, 2023. Our proposed monthly retainer rate during this term is as follows:

FY October 1, 2020 – September 30, 2021: \$1140/month

FY October 1, 2021 – September 30, 2022: \$1400/month

FY October 1, 2022 – September 30, 2023: \$1400/month

The monthly retainer rate is expected to cover Board and committee meeting attendance, and all routine services including correspondence, document and agreement review and preparation, and telephone and office conferences with CCDA staff on matters directly related to the CCDA. The monthly retainer is initially set based on our current hourly rate of \$285/hour for an aggregate not to exceed 4 hours each month. The rate is set to increase beginning October 1, 2021 due to expected increases to our hourly rates.

Representation in judicial, administrative and quasi-judicial proceedings and non-routine general counsel services would be available as needed at our hourly rate which is currently \$285/hr. This rate would cover attorney services provided by me or by attorneys, W. Ashton Scott and John F. Tolson, Jr. Paralegal rates, if included in such services, are currently \$125/hr. Related third party costs and expenses would also be the client's responsibility. We would inform you in advance of any such additional cost or expense anticipated to exceed \$1,000.00 in any calendar month, for prior approval. In the absence of Board approval at a regular scheduled or special noticed and called meeting, Executive Director Josh Cockrell will be the contract administrator for purposes of approval of additional work, cost or expense above the monthly retainer amount.

CCDA will be able to cancel this agreement on written notice to our firm and will be liable for any legal fees and expenses incurred through cancellation. Additionally, CCDA will be liable for any transition legal services and representation provided with your knowledge and

consent in winding up and transferring the representation. Our firm will be able to cancel this agreement with 30 days' written notice, subject to all applicable rules of professional conduct that apply to withdrawing from any active administrative, quasi-judicial or judicial representation then pending. If either party determines that a change is needed in our engagement in the future, without termination of representation, said change may be discussed subject to the approval of both parties. This representation may be shared by other attorneys in our firm, but I will be the primary attorney responsible for the representation. Attorney Ashton Scott may assist in providing legal research or agreement review and in meeting attendance in the event of a scheduling conflict.

A lawyer cannot guarantee any particular legal results. To do so would be an ethical violation and therefore we notify you of this. However, we are pleased to provide you competent and diligent legal services which zealously represent your interests within the bounds of applicable law.

We are excited for the opportunity to continue our relationship by providing representation to the CCDA and its contract staff. If this engagement letter meets with your approval, please sign and return one counterpart of the letter for our file, and retain the other for your own.

Sincerely,

April R. Scott, Attorney
